TESTIMONIALS

Don't just take our word for it...

We have been using Shropshire Adventures for over a decade for our corporate team events and we can't get enough. The instructors are fantastic and always go the extra mile to ensure we have a memorable and safe experience.

Sutcliffe & Co Insurance Brokers

We do it differently! Thank you Shropshire Adventures for hosting us and making sure we had the best time. What an incredible experience. You guys made everything so easy for us, from the first call. "Can we take over your site for three whole days?" Nothing was a problem, you met every challenge with a solution, massive TV's, massive lorries arriving. You immersed yourself in our world and we in yours. Top highlight of 2025 for me.

Thea Wilson - Educational Facilitator - VP Medical

Thank you for an unforgettable overnight adventure. The kids and adults had an absolute blast. Some of the families were very nervous about camping and the activities but you put everyone at ease and by the end no one wanted to leave.

Pythons Football Club**

We have enjoyed some of the best experiences on our riding weekends at Country Treks. They always provide us with a flexible programme with fast rides for those that want it and lessons in the school for others and always ready to adapt to individual requests. Their horses are a pleasure to ride and are well schooled and safe for even the most nervous rusty rider. I cannot recommend highly enough as a equestrian centre where you will have a thoroughly enjoyable experience.

John Lewis Partnership Riding Club

Team building adventure day with Shropshire Adventures. A great day was had by all the boys demonstrating their skills on the water instead of the rugby pitch with paddleboarding, and then a spot of strategic laser tag in the woods. Well done boys looked like you had great fun!
